MEETING ARRANGEMENTS

As arranged at the previous meeting (see SIM/331) case officer was to meet agent Grallspace 1 at 1400 hours on 5 January 1954 at the Grallspace safe apartment. However, on 5 January a telegram was received at the Bad Reichenhall address from agent's wife stating that the daughter was sick again and that they would not return from Memmingen to Salzburg on 6 January. Case officer telephoned this news to agent and at the same time postponed the meeting until 7 January due to several pressing engagements that case officer had to fulfill. The meeting lasted about 10 minutes and was conducted in English.

OPERATIONAL MATTERS

2. During the meeting Grallspace 1 asked case officer if his organization would be interested in an Austria-wide clandestine organization. Case officer answered that he was not certain but asked for the details. Agent said he had no details at the present but explained that his landlord approached him with the possibility of agent's joining a nudist colony, very secret with branch offices (or whatever affiliates of a nudist colony would be called) in all of Austria. Agent said that he could not get any details until he actually joined the organization since it was so hush-hush. Case officer said that in that case we would not be interested and that agent was to stay away from such activity.

3. Case officer asked agent to prepare a full list of all of his (agent's) contacts in the Salzburg area for the purpose of name checking. Agent said most of them were feminine contacts and therefore he would have to prepare the list while his wife was out of town. Agent said he would have the list at the next meeting.

PERSONAL MATTERS

4. Agent sent a letter to his wife (to be mailed via Bad Reichenhall by a staff member) telling her to stay in Germany for about ten days to two weeks. This was due to the expiration of her Austrian visa. (C.C. Comment: the visa is being renewed.)
